

Safe Deposit Boxes

Safe deposit boxes are a great place to store important papers and valuables. This protective metal box is located in a fireproof vault and requires a DuTrac Community staff member to accompany you into the secure vault and use a master key along with a key provided to you at the initial rental of the box in order to gain access. We currently offer safe deposit boxes at our Asbury Road, St. Mary's, Holliday Drive, Maquoketa, Kimberly Road, Clinton and Bettendorf offices. The annual rental of each box varies by size and not all sizes are available at all locations. Please refer to each location for a list of sizes and rental fees.
