Why do you want to continue as a board member? I have been a member of the DuTrac board for 40 years and have watched us grow from a small credit union to over a billion dollar credit union. During my time on the board we have gone from one office to 14 branches in several surrounding communities. Currently I am the only director in the Quad City area where we have several branches. I enjoy being on the board and being part of a well-respected growing credit union. Thank you for your support over these many years.

EMPLOYMENT: Hoffman Schneider & Kitchen Funeral Home. Retired from John Deere and the United States Air Force.

EDUCATION + OCCUPATIONAL EXPERIENCE:

Loras College (1970)

Northeast Iowa Community College, Peosta (1995)

Why do you want to continue as a board member? My first bank account was at the St. Mary's branch in 1957 – I have been a loyal credit union member from that time forward. I joined DuTrac Community Credit Union the first week of my employment with the John Deere Dubuque Tractor Works and it has been my primary financial institution since. Over the years, I have utilized a majority of the products and services offered to their membership even before being elected to their board. In 1990, I was asked if I had any interest in serving on the DuTrac's Board of Directors and have served in numerous positions since. I have a passion for DuTrac, its membership, and staff. I am proud to be a DuTrac member and to serve on this board.
